UNIFORM PASSES AND CONSEQUENCES:

Monday, Wednesday, Thursday and Friday

Student goes to the office before school and gets a uniform pass **with or without a note** from home.

If students do not get a pass before class, **they will be asked to go to E3 at recess** to pick up a pass and have a 10-minute restorative conversation.

Students who are **consistently** out of uniform in the term (3 or more times) will be placed on an **after-school detention from 3.05-4pm**. Parents will be given 24-hour notice.

What happens if a student is out of uniform without a uniform pass?

Students may be:

- **10 mins in E3 while they pick up a pass and explain their reason.**
- Provided with **alternative work** by the teacher for faculties where the uniform has become a safety issue- as per faculty policy.
- Asked to **remove the item** and pick it up from the deputy at the end of the day
- **Seniors (Year 11-12)** may be asked by the deputy to **return home** and change; parents will be contacted first.
- Provided with a change of uniform by the deputy where possible.
- Placed on **afternoon detention** if the student is consistently out of uniform. Parents will be informed prior to this consequence.

TAS subjects may also require an apron and additional attire as part of safety. Students may not participate if they do not have their uniform.

Uniform Detentions

We understand that there are some situations which impact a child wearing uniform consistently.

A note from home/ email to the deputy will suffice; however, the student will still need to get a uniform pass before school.

This pass will not count towards an after-school detention unless we notice that the student is regularly out of uniform.

Uniform detentions start fresh each term.

Exemptions and special circumstances : Tempe High School does offer exemptions for uniform. The parent must request this in writing and direct it to the attention of the principal. The principal will issue the student with an exemption which may be short term or long-term depending on the reason. Any enquiries about uniform should be directed to the deputy or principal.

Junior Daily Uniform

Tempe High School does not consider the following items part of our uniform :

- a) Tracksuit pants of any colour **X Black trousers only.**
- b) T-shirts instead of the school polo or shirt **X**
- c) Shoes which are not fully black and leather; **X**
students may choose to buy black leather sports shoes which function as everyday and sports wear.
- d) Hoodies of any colour **X**
- e) Socks which are thigh-high **X** ; plain black stockings are acceptable.
- f) Jumpers of any colour instead of the school maroon jumper **X**

Junior and Senior Uniform

Students may choose to wear the uniform of their choice. For example: girls may wear black trousers instead of a skirt.
